

EU4EU

European
Universities
for the EU

WHAT

EU4EU is the **EuGen program** co-financed with **Erasmus+** funds that has created an **international community** of University students, graduates and companies all over Europe to promote **internships abroad**.

WHY

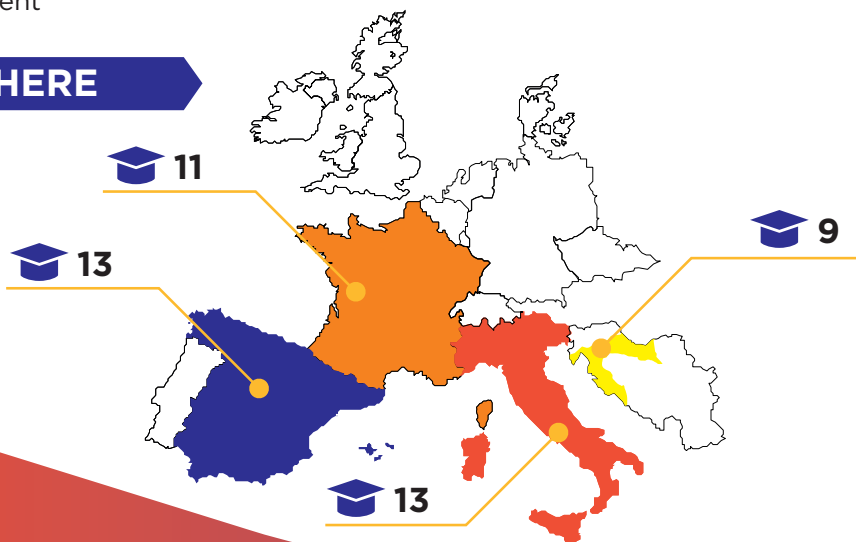

- 1 To facilitate the transition between university education and access to employment, effectively promoting new **job opportunities** for graduates.
- 2 To help European companies to **internationalise** their team, **grow** and **develop** their **business**, explore EU funding opportunities, expedite the recruiting process.

HOW

- 1 Companies host trainees **free of charge**. Trainees get **scholarships from the EU**.
- 2 The internship has a desirable **focus on EU funding** and project management

- 3 We select hundreds of international candidates with **different specialization profiles** each year (political science, law, economics, IT, communication, marketing, languages, etc.)
